These are Ilene's most requested talks:

WOMEN and THEIR MONEY

Ilene's signature talk; can be offered in 2 hr. segments, if preferred. This talk has been featured in print, radio and television. (8-hour Seminar; can be 4 2-hour segments)

CHANGE YOUR STORY, CHANGE THE OUTCOME!

This talk focuses on short- and long-term choices we all face and the various mental gymnastics we engage in to justify those choices. By exploring emotions and triggers, audience members experience how a change in the story will change their outcome.

RETIREMENT

This program covers all the topics in pre-retirement planning your audience wants and needs to know. What real risk is, how to take advantage of social security choices and investment decision-making. Ilene also covers post-retirement topics.
